IOF MTB Orienteering Events Applications overview

MTBO - Possible Event Dates and Event Period Calendars

The possible periods and the conflicting dates are described below. Use this information together with the *IOF Policy on Conflicting dates*.

The IOF envisions the following structure of international events for the season 2020 and onwards, but is happy to consider alternatives proposed by strong applications:

May/June	July/August	September/October
World Cup round 1 EMTBOC	World Cup round 2 WMTBOC + JWMTBOC	World Cup round 3 Final
WMMTBOC preferably with World Cup round 3		

- There should be at least 6 weeks between two rounds.
- The EMTBOC should preferably be organised before the WMTBOC.
- The EJMTBOC and the EYMTBOC may be organised together with the EMTBOC, or the WMMTBOC if the event takes place in Europe.
- The WMMTBOC may be organised together with a World Cup round (preferably 3), but it is not a requirement.
